CONGRESSMAN PITTENGER REFLECTS ON IMPACT OF GOVERNOR JIM HOLSHOUSER

WASHINGTON – Today, Congressman Robert Pittenger (NC-09) had these comments after learning of the death of former North Carolina Governor Jim Holshouser:

“Governor Holshouser served our State with great distinction, bringing strong accountability to Raleigh. His common-sense reforms and restructuring helped control the growth of state government and rein in excessive spending, providing a model that should be replicated today.

North Carolina is a much better state thanks to Governor Holshouser.

Suzanne and I extend our deepest sympathies to his daughter, Ginny, and the entire Holshouser family.”
